

Try Trials Day 16th August

Does your child have an Oset or Revi electric trials bike or similar and would like to try out trials?

Then bring them to our try trials day on Saturday 16th August from 1pm at Setheron, Rams Lane, Dunsfold, Surrey, GU8 4NR.

We will set out a few very easy sections to try out and our experienced trials riders will be on hand to provide guidance and tuition.

No bike, no problem, there will be a couple of bikes to try out, provided by our members.

This is part of our camping weekend with a club trial on Sunday 17th from 10:30.

For more details email info@normandymcc.co.uk

Children should be between 4 and 10 years old and accompanied by a responsible adult, and sign on at the beginning of the session.
